Re: Pathfinder Federation Narrative Report for FY1998/99.

Date: October 5, 1999

Please find attached the Pathfinder Federation narrative report for FY1998/99 CST and base grant funds. This is a report on what Pathfinder did with the \$31,253 for FY99. Please accept the report for your review.

Pathfinder provided programs as presented in the FY99 Federation Plan of Service and Budget Request, to address goals in the following areas:

- Improving communications.
- Providing continuing education.
- Sharing resources.
- Technology

The Teton County per capita, per square miles monies from FY 98 were forwarded to the Pathfinder Federation in September 1998. Action on those monies was taken at the October 8, 1998 meeting. The money was divided equally among the three Teton County Libraries. The State Library was not able to distribute the per capita, per square miles monies to Teton libraries at the time of initial distribution due to their temporary non-legal status.
