Darby Community Public Library Board of Trustees
1011/2 S Marshall St
PO Box 909
Darby MT 59829

Dear Veryl,

Thank you for your kind invitation to hold a Commission meeting at the Darby Community Public Library. I am sure that the Commissioners will be excited to accept the invitation. The Commissioners have heard many good things about the Darby Community Public Library from Bob Cooper, Al Randall and myself from our earlier visits. The Commission will probably try to come to Darby for its August 10th, 2005 meeting or its October 12, 2005 meeting. Would one of these days work better for your library? Please let me know your preference, if any. The Commission will take action on this invitation at its April 23rd meeting at MLA in Billings, so I will let you know as soon as possible after that meeting what the Commission has decided.

Thanks again for the invitation.

Sincerely,

Darlene Staffeldt
State Librarian
