

Suggestions from Gale and EBSCO for new/exchanged databases for FY2010

1. Gale has suggested two: The Small Business Resource Center and the Testing & Education Reference Center with Career Module (expanded version of the current TERC, which is very popular): Go to <http://access.gale.com/msl>

2. EBSCO has set up access to four: Career Library, Hobbies and Crafts Reference Center, Novelist and Consumer reports.org (the last is a much expanded and enhanced alternative to the electronic print option). Career Library could be made available free of charge to all public libraries through December, immediately. Pricing coming from EBSCO would be pro-rated, so that this database could fall into the current renewal schedules.

To access Hobbies and Crafts, Novelist and Consumer reports.org:
