

NETWORK ADVISORY COUNCIL
CALENDAR YEAR 2010 PROPOSED SCHEDULE OF MEETINGS

The following proposed schedule of 2010 Network Advisory Council meeting dates takes into account the proximity of anticipated State Library Commission meetings, library federation meetings, and other major library events. The March, May, and November meetings will primarily focus on addressing immediate Council business. The primary focus of the July meeting will be to discuss and make recommendations regarding the future growth and development of collaborative statewide library services and projects. All meetings are anticipated to be held in Helena.
