

Memo

To: Montana State Library Commission

From: Jennie Stapp, State Librarian

Date: December 2, 2013

Re: **Proposed Montana Land Information Act (MLIA) Rule Change**

As was discussed at previous Commission meetings, the Administrative Rules that implement the Montana Land Information Act must be modified to align with the transfer of authority for the MLIA from the Department of Administration to the State Library.

Current Rules may be viewed online:

The proposed rules for Commission review and action are included in the Rules Adoption notice. As noted, these rules reflect comments received during the public comment period. These rules have been reviewed by the Education and Local Government legislative interim committee and have been approved by the Montana Land Information Advisory Council.

Upon approval of the rules by the Commission the final Adoption of Rules notice will be submitted to the Secretary of State's Office.
