## **PROGRAM SUMMARIES**

### **Program 1 - Annual Meetings**

#### **Narrative**

Money for this program goes towards meeting room costs, trainer costs, meals, and any supplies or communication costs needed to run the federation's annual meetings.

Desired outcomes:

- Librarians and/or trustees share ideas
- Librarians and/or trustees share expertise
- Librarians and/or trustees implement new ideas
- Librarians and/or trustees develop collaborative projects
- Librarians and/or trustees feel supported and/or inspired
- Librarians and/or trustees are able to handle problems within their own libraries
- Libraries save money and/or time through the collaboration and learning

Desired impacts:

- Librarians and/or trustees implement new services that benefit their community
  - Communities and people have the resources they need to be well educated, better informed, healthier, socially included, civically engaged, and/or successful in business
  - Individuals and communities utilize, contribute, and support libraries
- 

### **Program 2 - Continuing Education**

#### **Narrative**

Funds for this program are used to support the costs associated with professional development for librarians, library staff, and trustees. Examples of acceptable costs include, but are not limited to registration fees, course fees, travel costs, and purchase of materials needed for continuing education.

Desired outcomes:

- Librarians and/or trustees are re-energized and ready to try new things
- Librarians and/or trustees no longer feel isolated
- Librarians keep current in recent library trends and all areas of library learning

- Librarians share the knowledge gained in their community and in the federation
- Trustees work better as a team with librarians
- Libraries and communities cooperate and communicate with each other
- Librarians provide broader, better, up-to-date technology and services

Desired impacts:

- Patrons reap the rewards of our knowledge
  - Library and larger community remain healthy
  - Community members improve reading and technology skills
  - People have the resources they need to be employed, make informed decisions, succeed in school or college, be civically engaged, and/or successful in business
  - People engage in the community in innovative ways – like starting a new business, or sharing lifelong learning opportunities
  - Patrons are able to obtain their goals
- 

### **Program 3 - Resource Sharing and Technology**

#### **Narrative**

Funds in this program are used to support resource sharing programs such as interlibrary loan, courier, and book club kits as well as covering technology needs a library may have such as specific software and/or hardware. Examples of ways to use funds include, but are not limited to OCLC, MSC, Courier costs, postage, book club kits, Internet, hardware, peripherals, and software.

Desired outcomes:

- Library can afford resources - all libraries who want to play can play
- Library offers these resources to the community
- Libraries can provide information sources beyond their physical collections
- Libraries can re-allocate resources for other needed public services
- Libraries have up-to-date technology and good connections
- Librarians have technology expertise
- Libraries save money

Desired impacts:

- Patrons have an equal playing field with the rest of the world
- People have the resources they need to be well educated (ready for school, college, or independent learning), better informed, healthier, socially included, and civically engaged

- Patrons have access wherever they are
  - People in isolated communities feel more connected
  - Patrons can improve their own and the communities economic well-being
- 

## **Program 4 - Community Outreach**

### **Narrative**

Funds for this program are used to support outreach and marketing to the community with the hope of increasing awareness of libraries and their value. Examples of acceptable spending in this category include but are not limited to: costs associated with summer reading programs, homebound services, books by mail, and any promotional materials.

Desired outcomes:

- Libraries communicate their value
- Libraries continue to grow
- Libraries reach beyond their walls to be viable, vibrant, and vivacious parts of their communities

Desired impacts:

- Montana citizens understand the value of libraries and the actual costs of library services
- 

## **Program 5 - Building Planning**

### **Narrative**

Funds used in this program support the costs of planning for the best use of space directly related to federation-wide activities. Costs may include but are not limited to: consultant fees and travel, design models, wireless feasibility studies and cost analysis for designing areas.

Desired outcomes:

- Libraries can hire professional assistance for building consultation and evaluation
- Library buildings are designed to be safe, inclusive, comfortable, inspirational places to provide services
- Libraries are community meeting places where all community members have access to a welcoming public space

Desired impacts:

- People come together for learning, networking, community problem-solving, socializing, food, fun, or whatever's needed
- 

## **Program 6 - Admin Costs**

### **Narrative**

Several administrative functions are centralized at the State Library, but Federation members may want to authorize a stipend (of not more than \$1,000) to the federation coordinator. Federations may also allocate funds to pay for communication costs, travel, and supplies.

Desired outcome:

- Federation coordinator has the resources to handle the logistical duties required of running a federation
- Member libraries can focus on other services that directly benefit patrons
