Kate - Thank you so much for the training session. As I read through the notes, I got even more excited about our library and the potential opportunities for funding a new library. I am sharing this information with our board members, our library foundation president, our library director, and the architectural firm we have been working with. I know it will prove

useful to us as we move forward on our project.

Thank you again for sharing your considerable knowledge and expertise.

I look forward to seeing you at the Tamarack conference.

Best, Victoria Howell, Chair, North Valley Library Board of Trustees

Montana State Library Directors' Institute
Colet Bartow
1515 East 6th Avenue
Helena, MT 59601

Dear Colet:

On behalf of the Ursuline Centre Preschool and Board of Trustees, I wanted to thank you and the Montana State Library Director's Institute for your very generous and thoughtful donation of the six children's bicycles to the Ursuline Centre Preschool!

We greatly appreciate your thoughtfulness and the generosity in making this donation to the Ursuline Centre. We'll be able to use one of the bicycles as a raffle prize at our upcoming Spring Carnival, and utilize the remaining five as prizes throughout the next two school years as raffle prizes. Please extend our sincerest thanks and appreciation to the entire Montana State Library Directors' organization for these wonderful contributions!

Open doors change lives, just as the Ursuline Sisters and Harry believed. We are honored to continue their rich legacy of investing in our community, one person at a time.

In great appreciation,

Thomas Trunkle
Executive Director
