**To:** Montana State Library Commission

**From:** Jennie Stapp, Stapp Librarian  
Nominating committee

**Date:** May 20, 2022

**Re:** Network Advisory Council (NAC) members slate of nominees

After soliciting and discussing nominations, a working group of Commissioners and staff (Johnson, Taylor, Moore, Stapp, Birnel, Cook, Kamp, Marchwick, and Orban) recommend the following slate of candidates to serve three-year terms on the NAC effective July 1, 2022.

- Lori Cannady, Dillon Public Library
- Mark Wetherington, Bitterroot Public Library
- Alyssa Ramirez, Lincoln County Library

If appointed, these members would serve on the NAC through June, 2025. Both Lori and Mark are current NAC members and would not be eligible for reappointment at that time. As a new NAC member Alyssa would be eligible for reappointment.
