

# Memo

**To:** Montana State Library Commission  
Jennie Stapp, Stapp Librarian

**From:** Erin Fashoway, State GIS Coordinator

**Date:** October 3, 2022

**Re: The Structures & Addresses Framework: Modernizing emergency response and elections**

This informational presentation to the Commission will demonstrate how the Montana Spatial Data Infrastructure (MSDI) Addressing data is being used in Next Generation 9-1-1 services and geo-enabling elections. No action of the Commission is requested. The presentation will cover:

- Brief Overview & History of the [Structures & Addresses MSDI Framework](#):
- Structures & Addresses MSDI Framework use in [Next Generation 9-1-1](#)
- Partnership with the Secretary of State's Office and County Election Administrators
- Integration of the MSDI Addresses data to help the Geo-enabled Elections efforts and the transition to the new elections management software.
