Search

The video player displays a presentation slide. On the left, there is a red icon of a computer monitor and a red icon of a tower PC. To the right of the icons, the text reads: "DIGITAL EQUITY AND LIBRARIES" in a large, bold, black font. Below this, in a smaller font, it says "MONTANA STATE LIBRARY" and "OCTOBER 7, 2022". The slide is set against a light gray background with a wooden floor texture at the bottom. The video player interface includes a "Play (k)" button, a progress bar showing 0:01 / 1:16:40, and various control icons like volume, closed captions, settings, and full screen.

Federation Task Force

Charge of the Task Force

- The purpose, function, and goals of federations haven't been reviewed in 15 years.
- MSL would like to study the structure and purpose of current federations to make sure that the legislative intent created when federations were established is still valid. We would also like to consider how well the federation structure meets the needs of Montanans and Montana's libraries. If changes are necessary, MSL would like to know what changes are needed.
