

Solve the CE Puzzle

1

Find CE

2

Earn CE

3

Record CE

ASPeN Event Calendar

Search the calendar (No Login required to search) and Login to see resources and register for upcoming events.

MSL Learn

Guest access allows you to browse the list of locally created courses. Login with your OKTA credentials to enroll in a course.

MSL Website

Visit the CECertification webpages for course information. Access the CE and Certification Handbook, and the MSL Board Development page. No log in is needed.

MSL Newsletters

Subscribe to newsletters for updates and new opportunities right in your inbox. No subscription is needed to view the newsletter archive.

MSL Learn

Take self-paced e-courses created by MSL and specific to Montana libraries. Preview courses with guest access. Login with your OKTA credentials to enroll in courses.

WebJunction

Access online courses created by experts from across the U.S. that are self-paced and cover a huge catalog of topics. View the catalog without a login. A free account is required to enroll in courses.

MSL YouTube Channel

Your home for recordings of meetings and continuing education from MSL. There is no login needed.

ASPeN CE Control Panel

If you want to pursue voluntary certification, you must record your earned CE credits in ASPeN. Login with your OKTA credentials to claim MSL and Montana Library Association-sponsored events (listed by date and title). Enter all other continuing education as a new independent learning event. Detailed instructions are available in the ASPeN Knowledge Base.
