Digitized State Publications

The screenshot shows the 'enterprise for KIDS' logo at the top. Below it is a navigation bar with 'Missoula Public Library > Kids Catalog'. The main content area features a grid of ten category tiles, each with an icon and a label: 'A to Z' (with letters A, B, C), 'Animals' (lion), 'Arts & Crafts' (palette), 'Cooking' (pizza), 'Fun Stuff' (puzzle pieces), 'Holidays' (gift), 'Kids' Concerns' (family), 'Montana' (state map), 'Plays' (masks), and 'Poems' (book).

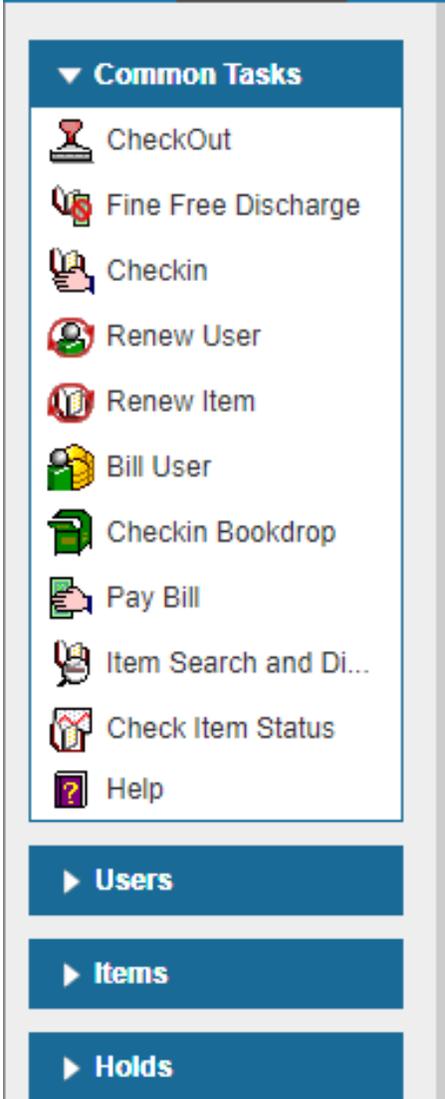

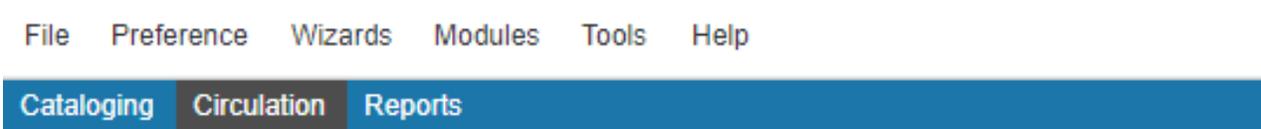

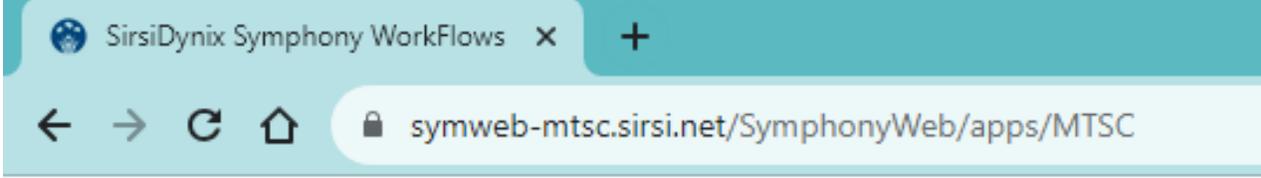

Auto-Renewal

Checkouts can be automatically renewed by the system without staff or user intervention.

The system **will follow the circulation rules of your library**, e.g., checkouts won't renew if:

- There is a hold.
- The maximum number of renewals has been reached.
- Renewals aren't allowed, etc.

Available soon.

SymphonyWeb

Identical to WorkFlows but web-based instead of downloaded software.

Precursor to BLUEcloud Circulation and Cataloging.

Available soon.
