- [Knowledge Base](#) - articles and video tutorials answering our most frequently asked questions.

System Administration & Training, cont'd.

The screenshot displays the Montana State Library Knowledge Base interface. At the top left is the logo for Montana State Library. The navigation menu includes links for Home, My Area, Knowledge Base, Community, Sign In, and Sign Up. The main heading reads "Welcome to the Montana State Library Knowledge Base" with a subtext: "Search our knowledge base, ask the community or submit a ticket." A search bar contains the text "staff training" and shows a dropdown list of search results: "New Staff Landing Page", "Directors Landing Page", "School Libraries - New School Year", "BCMobile - Click and Collect (Staff Dashboard)", and "WorkFlows - Introduction". Below the search bar are three main sections: "Knowledge Base" (Browse through our collection of articles, user guides and FAQs.), "Community" (Ask questions, share ideas or start a discussion with other customers.), and "Tickets" (View your previous tickets; know their statuses and solutions.).

Cataloging in a Consortium: How Do I...

- Search the catalog?
- Know which bibliographic record is best?
- Attach my item to a bib record?
- Import a bib record that's not already in the MSC?
- Know when to discard an item versus delete it?
- Request original cataloging assistance?
- And more!
